

CREATING SERVICE CREDENTIALS

STEP-1 :

The screenshot shows the IBM Cloud 'Resource list' page. The browser address bar displays 'https://cloud.ibm.com/resources'. The page header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user account 'BHAVANISHA B's Acco...'. A blue 'Create resource +' button is located in the top right corner.

The main content area features a table with the following columns: Name, Group, Location, Product, Status, and Tags. The table is filtered to show one resource: 'Cloudant-1g'.

Name	Group	Location	Product	Status	Tags
Cloudant-1g	Default	Dallas	Cloudant	Active	

The left sidebar contains a list of resource categories: Compute (0), Containers (0), Networking (0), Storage (0), AI / Machine Learning (0), Analytics (0), Blockchain (0), Databases (1+), Developer tools (0), and Logging and monitoring (0). The 'Databases (1+)' category is expanded, showing the 'Cloudant-1g' resource.

The bottom of the screen shows a Windows taskbar with the date and time '11:53 AM 13/11/2022'.
